“Hepimiz somut imgeler için açız ve susamışız.
Soyut sanat bir şey için iyi olacak:
sanatın gerçek natürelliğini figürsel sanata dönüştürmeye.”

“We are all hungry and thirsty for concrete images. Abstract art
will have been good for one thing:
to restore its exact virginity to figurative art.”

The background of the slide is a composite image. It shows a dense cityscape, likely New York City, viewed from a high altitude. The sky is a warm, golden-yellow color, suggesting a sunset or sunrise. In the foreground, the white wing and engine of a large commercial airplane are visible, extending from the right side towards the center. The text is overlaid on this image.

“Bir şehir, boyu ve eniyle ölçülmez, vizyonunun
genişliği ve düşlerinin yüksekliği ile ölçülür.”

“A city is not gauged by its length and width, but by the
broadness of its vision and the height of its dreams.”

Herb Caen
